

ASPN MEET THE BOARD SERIES

ROLE: Past President

Jeanine retired from full-time program management after 23 years in both FGP and RSVP. As Past President she advises the current board on procedures, and participates in discussions affecting our members and their volunteers.

She currently works with Volunteer Iowa in crafting procedures and policies for a Senior Demonstration project that will be a hybrid FGP-RSVP program.

Having witnessed first hand the benefits for both the volunteers and those they serve, Jeanine is committed to enhancing the opportunities for volunteers to make a difference in their local communities.
