

# ASP MEET THE BOARD SERIES

## ROLE: Mountain Representative

Marie brings a strong background in program management, community engagement, and volunteer coordination. She brings a balanced perspective: grounded in real-world experience, guided by a commitment to equity, and motivated by a desire to ensure every program, regardless of size or location, feels heard, supported, and empowered to thrive. She states that she is eager to listen, learn, and contribute meaning to the continued success of our nation network.
