

ASPN MEET THE BOARD SERIES

ROLE: At Large Representative

Tammy is the Director of the Appalachian Foster Grandparent Program which serves Alleghany, Ashe, Avery, Watauga and Wilkes Counties in the rural mountains of Northwest NC. She has over 26 years experience working with Senior Corps Programs (as both CNCS and AmeriCorps Seniors). Her work with the Foster Grandparent Program provides firsthand knowledge of the tremendous impact of these programs in the everyday lives of the volunteers and the children they serve. Being part of the ASPN Board will encourage a community of shared knowledge and experiences to help us all better advocate for the continuation of these vital programs.
